

PROGRAM 115 TEASER

What comes to mind when I say, “the enslavement of women”? Only the dark places of the earth? What if I told you that it is the modern world that has stolen the royal dignity of women—and often in the guise of liberating them? Who is this exalted masterpiece called woman? When do women give too much? Who was the greatest restorer of women’s lost dignity? Why do men—I said men—love abortion? How can a woman rediscover her royal dignity? Two men—Tom Hughes and I, Frank Eiklor—will attempt to expose our modern culture’s enslavement of women. A 5-page “expose”—coming now—on More Than Talk.

No man ever had a baby

Sex without the marriage commitment—Woman pays the pregnancy price

Man's devilish line "If you love me"...(sex) Answer: "Hit the road, loser!"

Man to woman: "You have abortion. Risk your life, not mine! You can carry the guilt—I can take a walk."

Man to woman: "Sex is a climax to my lust—not an expression of any love for the real you—your spirit."

Man to abortion: "Best thing that ever happened to me. All gain, no pain. Hooray for 'women's rights!' Right on ladies! Right on!"

PAGE 5 Rediscover Your Royal Dignity

1) Recognize you're not a piece of protoplasm, but a precious person.

Genesis 1:27

2) Reject any worm trying to seduce you with his sperm. 1 Corinthians 6:18

3) Put a price on your body. No one touches you as his toy. Sex reserved for the fireplace called marriage. Hebrews 13:4

- 4) Put God in the equation and you won't fall for any guy's lustful persuasion.
- 5) Remember: abortion is a one-way, one-lane street. You pay the price while men enjoy their vice.
- 6) Raise your sights on what God calls a real man. He will refuse to possess your body without his making a lifetime commitment to your soul. And he will insist on marriage before any baby carriage.
- 7) Aborting a baby is admitting you are a baby when it comes to sex and the depth of its meaning. It's making the innocence of one life—the baby—pay for the stupidity of another life—you. “Guy makes gal pregnant. Guy walks away free. Gal pays the price.” Don't let it happen to you!
