

PROGRAM 85 TEASER

Men with half a brain know there is a Creator. Nothing can't create everything. But the Creator—God—could have hidden Himself from searching hearts. Instead, He invites the search and speaks His very words to humble, holy men. Those words are recorded forever—in a Book. The Bible. The Holy Scriptures. Wow! But wait! Do I run to that Book every day—in wonder? Love it? Obey it? Devour it? Or have I lost the “wonder” and contracted the disease called “familiarity” when it comes to the Word of God? Let's find out in the next half hour. “The disease called ‘familiarity’—the cure called ‘wonder’.” Tom Hughes and Frank Eiklor—and what we have to say is More Than Talk!
