

PROGRAM 86 TEASER

He blew their minds! Well water turned to wine? A handful of bread and fish into a banquet for thousands? Blind eyes and dead stares suddenly screaming “I can see! I can see!” Dead bodies—stinking flesh, turned pink again, no longer dead but alive again at His command?! He predicts His death—and dies. He guarantees His resurrection—and rises from death. No one like Him! Jesus Christ, Son of God! How sad for those who don’t know Him. Sadder still? Those who claim to know Him but have lost the wonder of loving and obeying Him. Where are you, when it comes to Jesus? The disease called familiarity. The cure called “wonder”. Eiklor and Hughes—with some good news—on More Than Talk.
