You're not an accident that somehow developed a brain. You are a special creation made in the image of your incredible Creator. God has a plan for your life. Don't settle for less! He has a plan for your marriage. A plan for you singles. For youth. For every baby conceived in a wondrous womb. And for oft-times lonely seniors? God hasn't passed you by! Your future days—though perhaps fewer—can be filled with love, joy, peace and meaning. How special are you to God? Pastor Tom Hughes and I are about to tell you. Give us the next 30 minutes and we'll explore what Dr. Luke says about Jesus Christ and why He has a plan for you. You'll find it More Than Talk.
