

PROGRAM 124 TEASER

Many people feel unloved, unwanted, worthless. Some go so far as to think suicide is the only way to stop the pain of their feeling of no value. But while the horizontal can look hopeless, try the vertical. Look up and listen to what God has to say about you. His love through His Son, Jesus Christ, is all about the value of one. He had a habit of choosing the unlikely and unlovely by the world's standards. That's why He chose Pastor Tom Hughes and me—Frank Eiklor. Now we get to introduce you to the One who considers you of such value that He literally died a lonely death so that you could have a forever future with Him. Interested in the details? Here come 5 brief pages on The Value Of One. You're that one! And that's what makes this program More Than Talk.
