What Happens When You Die? (part 2) (Great Chapters of the Bible—1 Corinthians 15)

In our last program, we opened up a real can of worms. You know, the kind of worms that will feast on my body and yours if we choose burial.

But I do know the authority on death. His name is Jesus—and He exploded the myth “When you’re dead, you’re dead forever”. He told us the opposite—that you and I are going to live forever. It’s just that we get to choose one of two directions. One of the greatest chapters in the Bible tells us in detail what happens when you die. Join me for Part 2 of this amazing discovery. It really does equal More Than Talk.
