

PROGRAM 141 TEASER

I was in the Marine Corps when Jesus Christ changed my life. Many spiritual battles followed including the normal doubts as I learned to walk by faith, not by sight. But my faith had a solid foundation—the Bible. One thing that stood out was biblical prophecy. No one would dare tell the world how future history would flow—and then have it happen as predicted with 100% accuracy—unless you were God. Take the Jews and Israel. So tiny. They baffled Mark Twain. “What is the secret of their immortality?!” he asked. Tom Hughes and I weren’t around to give Mark Twain the answer. But we can give it to you—an answer that God is alive, active and pursuing you with His love. Give us 30 minutes. We’ll give you More Than Talk.
