

PROGRAM 143 TEASER

There is only one book that dares to record the events of history before—not after—they occur. That book is the Bible—and its prophets had to be 100% correct when they said “Thus saith the Lord” or be condemned as frauds and put to death. What they prophesied concerning Jews and Israel is uncanny. If you crave more assurance that there is a God and that He loves you, join Tom and me as we explore “The Immortal Jew—God’s Signpost To The World”. Your faith will grow as we share why biblical prophecy is unmatched, unchallenged, unstoppable. And the purpose behind it all is to help you see that Jesus Christ’s love for you is also unmatched, unstoppable—and More Than Talk!
