

## **Teaser 69**

What will you do when the storms of life threaten to drown you? Or when you are worn out with what this world has to offer? Or when you grow tired of mere religion but can't shake the fact that there is a God? Or when those you call "friends" are destroying themselves and intend to take you with them? Only one historical figure claimed—and still claims— to have the solution to your doubts, worries and fears. Do you care—will you dare—to take a look at the real Jesus! Tom Hughes and I have a friend named Matthew who wants you to stick with us for the next 30 minutes on More Than Talk? We promise—you won't regret it!
