#### Teaser 72

So you've tried humanism and found it too, well, inhuman. You've tried evolutionism—but no peace has evolved in your tired brain. You've even taken a look at the world's religions—you know, Islam, Buddhism, Judaism, Christianity and come up empty. Just one question—have you ever taken a look—a real look—at the real Jesus? No, not the Jesus of what passes as "Christianity". I mean the real Jesus! Like the one my dear friend John told Tom Hughes and me—Frank Eiklor—about. Take 30 minutes with us. Come on, do it now. The real Jesus is More Than Talk. He's who you're looking for. Ready—set—let's go!
