

PROGRAM 73 TEASER

There is a war raging for control of the hearts and minds of the world's youth. Young people make great soldiers—for good or evil. The devil has the enticements—drugs, sex unrestrained, even the adventure of cutting off heads of the innocent. But then there is the Holy Spirit of God who has all the power. He knows how to make the resurrected Jesus Christ explosively alive with the offer of eternal life and a life of passion for God and of purpose to win others. Youth have many years to serve their master—either God or Satan. That's why the devil wants them young. I shall tell you more about this war. Stand by for More Than Talk.
