

## **PROGRAM 76 TEASER**

You would think that the entire earth would make it their #1 quest. After all, all of men's struggles are geared to one survival instinct—the desire to stay alive. And along comes a Man who claims to be able to deliver on man's universal cry to live forever. First, He does what no other has ever done—miracles like giving sight to the blind and raising the dead. Wow! Then He says He must Himself die for the sins of men, be raised three days later from the dead, and guarantee eternal life to all who trust Him. Double Wow! Did it really happen? You had better find out. Because you and I are going to live forever—like it or not. “Did it really happen The Crucifixion and Resurrection of Jesus Christ.”—today on More Than Talk.
