

PROGRAM 77 TEASER

You have heard of the Seven Wonders of the Natural World. Would you believe me if I told you those incredible physical wonders are only child's play in comparison to the seven prophetic wonders found in the ancient, yet up-to-date Scriptures called the Holy Bible?! Our Creator is a daring God. He wants us to know He is real and calls us to attention. How? By telling us all about tomorrow when it's only today. Take the Jews. Once God created them, He guaranteed that no power on earth would wipe them out. Then He told us the strangest things that He would do through the Jew. Come with us—Frank Eiklor and Tom Hughes—on an incredible four week journey—Seven Prophetic Wonders Of The World—here on More Than Talk.
