

PROGRAM 79 TEASER

There is a hatred that goes beyond any prejudice the world has ever known. This hate has existed for some 4,000 years. It is not human. It is spiritual. It is demonic. It is hatred against Jews and the nation identified with them—Israel. But is this hatred against Jews really a disguise for a loathing of the Creator of a people called Jews and nation called Israel? Is Jew-hatred—pure and simple—really hatred of God and a devilish passion to prove God a colossal liar and make Him irrelevant? Join Tom Hughes and me for the answer to this question and more as we explore the seven prophetic wonders of the world on More Than Talk.
